OTHER IMPORTANT INFORMATION

ENROLLMENT FEE

Half of the enrollment fee, \$50.00, is due when making application to the college. The enrollment fee is non-refundable.

NEW STUDENT ORIENTATION

The new student orientation (NSO) take place the week prior to the beginning of classes. **The NSO is required of all students.**

Medical Assisting Program

MA students are required to have the Hepatitis B vaccination series, current CPR certification, and current TB skin test before beginning an externship. CPR certification and TB skin tests are provided by the College and are included in the tuition costs.

Hepatitis vaccinations **are not** covered by your tuition cost. You may obtain these vaccinations from your local health department or personal physician. This is a series of three vaccinations.

If you have already had hepatitis vaccinations, have current CPR certification, and/or current TB skin tests, you must provide documentation prior to the externship phase of the program.

Phlebotomy Technician/Nursing Assistant Short Courses

CPR certification and TB skin tests are provided by the college and are included in the tuition costs. If you have current CPR certification and/or current TB skin tests, you must provide documentation to the college.
